The groom's father officiated and his brother played the organ at the marriage of Mr. Ronald Mannering and Lynette Ann Fattick pictured ABOVE smiling at each other as they leave the Methodist Church, Williamstown, on January 9.

The bride is the elder daughter of Mr. and Mrs. C. Fattick, Waratah St., Seaholme. The groom is the second son of the Rev. C. Mannering, of Nhill, and the late Mrs. D. Mannering and stepson of Mrs. C. Mannering.

A gown of white shantung with lattice lace trim down the centre front was worn by the bride. She had a full length veil and carried a bouquet of carnations and gardenias.

Matron of Honour was the bride's sister, Mrs. Barbara Caesar, who wore a pumpkin coloured shantung gown and carried a bouquet of frangipani. Her two small daughters, Kerri Ann and Maxine Caesar, were flowergirls and their frocks were identical to their mothers.

All frocks in the bridal party were made by the bride's cousin, Mrs. Betty Parltan. John Mannering, the groom's brother, was best man and another brother, David, played the church organ.

Young Christopher Fattick, the bride's brother, was page boy.

The bride's mother wore a tusk coloured Thai silk ensemble with gold accessories.

A floral frock in grey tones with black accessories was worn by the groom's stepmother.

Guests came from Swan Hill and Colac for the reception held at Shirley Park Reception. The two tiered wedding cake was made and decorated by a friend of the Fattick family, Mrs. Jack Carr, of Waratah Street, Seaholme.

When going away the bride wore a bright pink Thai silk ensemble with white accessories.

After a honeymoon trip to Adelaide the couple will leave for New Guinea where they plan to live for the next two years.

The bride will be remembered by many local youngsters as she began her teaching career at Seaholme Primary and later taught at Essendon. Also a former Seaholme teacher is the groom's brother, David, who last year transferred to Altona North.

## COSTLY ERRORS

**After being involved in an accident on the railway line at Blackshaws Road, Spotswood, Geoffrey Leeman, aged 23, of Blyth Street, Altona, could not remember anything until the next morning.**

At Williamstown Court last Friday he said that was why he had not stopped and given his name and address after the accident.

He denied driving carelessly, failing to give assistance to an injured person after an accident and to failing to give his name and address after an accident. He admitted driving without a driving licence.

He was fined a total of \$155 and was ordered to pay \$18.10c costs.

Mr. Robert Shearer of

Wood St., Newport, told the court that he was driving along Melbourne Rd., Newport, and as he approached the railway crossing, the gate keeper closed the gates. The keeper then signalled for him to proceed, so he checked nothing was coming from behind and then moved onto the offside of the road.

Just before he was clear of the tracks a car crashed into the back of his car. He moved his car into a safe position and then got

out to help his wife who had been injured.

The other car then started to move and as it drove past him he ran out and called to the driver, but the car did not stop.

Mr. Cecil White of Hobson St., Newport, the gate keeper at the crossing, said he closed the gates after being informed that a train was approaching. He said he did not signal anyone to cross after closing the gate.

He saw the second car crash into the back of the first car, and then drive away.

Leeman told the court that he was driving along Melbourne Rd. when the car in front of him swerved onto the offside of the road. He thought it was going to make a right turn, so he moved up to pass it on the left, and then he saw the crossing gates. He moved onto the offside and thought the other car would have

## Beach Pollution - Creek And Drains

Many bathers on Altona beach early in the New Year found themselves smeared with oil.

Traces of oil were widespread and swimmers at Williamstown also were affected.

The oil was apparently accidentally discharged from a pit at the Refinery into Kororoit Creek.

An inspection was made by Mr. Larry Floyd, Member for Williamstown, who further discussed the problem with the City Engineer, Mr. Ralph Simmons.

Altona Council is concerned about the general aspect of pollution of the waters of Kororoit Creek which flows into the Bay.

Council has sought the help of Mr. Floyd in obtaining details of the degree of pollution in the creek but, at this stage, the Board has refused to make the information available.

The Board stated in a letter to Council that necessary action is being taken to combat pollution.

The Council in turn would like to know what action is actually being taken.

Altona's Senior Health Inspector, Mr. John Mellors, reported to Council that tests taken show high chemical and bacterial readings from the Mulga Street and Civic Parade drains.

These readings were taken at a time when the drains were being treated with chloride of lime which did appear to combat the foul odors.

been over the crossing, but it was not.

He remembered colliding with the rear of the other car, saw the car moved down the track a short way and then reversed his own car. That was all he remembered until he was at work the next morning. He did not even remember going home that night.

## The "Star" Expands

The "Altona Star" has acquired the "Williamstown Advertiser."

Few Victorian local newspapers have such a record as the Advertiser which commenced publication in 1874 and for the past 22 years has been controlled by brothers Messrs. Dave and Jim Williams.

This month it was taken over by Altona Star Printing and Publishing Pty. Ltd. and along with the Star is being published at the company's factory in Pier Street, Altona.

The "Altona Star" was first printed in Sunshine in 1953 and in 1954 the "Star" was published from premises at 122 Pier Street.

In 1959 the company moved to the building at 101 Pier Street.

This year a move will be made to a new modern factory, also in Pier Street.

## LAVERTON WEDDING

Mr. and Mrs. Anthony Chapman wave to guests before getting into the bridal car after their marriage at Holy Trinity Church, Williamstown, on January 3.

The bride, the former Lynette Heather, is the eldest daughter of Mr. and Mrs. L. Heather, of Grafton, N.S.W.

The groom, a member of the RAAF stationed at Laverton, is the younger son of Mrs. M. Chapman of Western Australia, and the late Mr. J. Chapman.

A white coat trimmed with guipure lace was worn by the bride over her gown of white crepe. Her elbow length veil was held in place by a floral headpiece and she carried a bouquet of roses and tuberose.

She was attended by her three sisters, Pam, Barbara and Denise and Sue Dyer. They wore pale blue crepe frocks which had guipure lace bodices and they wore Lily of the Valley headbands.

Best man was the groom's brother Paul, and groomsmen were Geoff Rowsell, Derek Hancock and Warren Regan.

Guests came from Western Australia and N.S.W. and telegrams from both these States and Queensland were read out at the reception held at the Altona Central Reception.

## THE ASSOCIATED CITIES

The associated cities of Altona and Williamstown will have stronger ties with the building of the Lower Yarra Freeway.

The East-West freeway will not hinder transport to the north, but it will restrict communication. As the years pass those north of the freeway will have less and less in common with those of the south. The fact that the freeway in part corresponds to the northern boundaries of the two cities is thus of great significance.

The not-significant boundary between Williamstown and Altona and the mental confinement caused by the freeway will tend to a more associated and self-contained people south of the freeway.

Altona and Williamstown are not twin cities. Williamstown, with the old tradition enshrined in its very name, in its Strand, its port facilities, its remembrances of the past, bears little relationship to the new city of Altona.

And they are not rival cities. They are not competitors for public acclaim, or people or industry. Each has in its own way much of which to be proud. Each has its share of disadvantages to be overcome.

If Williamstown has its rifle range, Altona has its briquette dump.

But they are associated cities. Together they have a population of nearly 60,000. Their numbers approach those of Footscray. The realisation of these facts should tend to a greater measure of self sufficiency in the combined areas. More mutual and reciprocal local trade is possible.

The attraction of certain stores to the north or in Melbourne will remain. On long analysis however, every purchase in Williamstown or Altona aids local prosperity.

Williamstown has long had an honoured name in the cultural area, and of recent years there have been encouraging developments on the same level in Altona. Surely in this fertile area co-operation in the arts can make for more gracious living south of the freeway.

Altona and Williamstown too, have the only beaches available for the western Melbourne people. The two councils have much to gain in working together for their preservation against ultra council activities.

Admitting the present measure of co-operation that undoubtedly exists between the Williamstown and Altona councils, it is becoming clear that problems of the future will be more efficiently solved by an even more united front.

Thus Altona and Williamstown will have common ground in such matters as the difficulties caused by the freeway or in regard to the trans-Bay oil pipeline or waterway pollution.

At the same time both councils must go their own ways in making use of available resources in maintaining and developing their city for the benefit of citizens.

Association and independence are in no way incompatible.

## KOROROIT CREEK POLLUTION

Altona councillors are not satisfied with a letter from the Board of Works stating that information requested on pollution in Kororoit Creek is not available and that the Board is taking the necessary action to improve the standard of trade waste discharged into the creek.

At the meeting of council on December 22 Cr. Les Crofts spoke strongly against the reply.

He moved that the council express strong opposition and a letter be sent to Mr. Larry Floyd expressing dissatisfaction at the reply to a simple request for the results of pollution tests taken on the waters of the creek.

Cr. Crofts said it appeared there was a tendency for bureaucracy to be creeping in. The Board dismissed the council's letter with the statement that they are taking the necessary action.

He suggested council should ask Mr. Floyd, the Member for Williamstown, to seek information on what action the Board is taking. In any case how can Altona council co-operate if they do not know the facts, said Cr. Crofts.

Cr. Doug Grant seconded the motion and commented that he suggested several months ago that council demand these results and this is the answer.

## Ligudzinski - Bell Wedding

—Photo by courtesy of Barry M. Sutton, 397 6017

Happily looking forward from beneath the arms of the statue at the Civic Offices are Mr. and Mrs. Val Ligudzinski who were married on January 9 at St. Leo's Catholic Church, Altona North.

The bride, the former Christine Lee Bell, is the eldest daughter of Mr. and Mrs. G. E. Bell, of Melbourne Road, Spotswood.

The groom is the twin son of Mr. and Mrs. W. Ligudzinski of Blair Court, Altona North.

An A line gown of white ottoman trimmed with guipure lace was worn by the bride. Her full length veil was held in place by a spray of flowers and she carried a bouquet of gardenias.

The bride was attended by her sisters, Barbara and Alison, who wore frocks of lime green spotted voile and carried white carnations.

All frocks for the wedding party were made by the bride.

Best man was the groom's twin brother Edward and groomsman was another brother Michael.

A reception for 63 guests was held at the Civic Hall, Altona.

The wedding cake was made and decorated by the bride's mother and sister Alison.

The couple spent their honeymoon in Sydney.

## SOCIAL SERVICE HELP

Cr. C. W. Carlsson recently stated that many people are unaware of help available from the Social Service Department.

While the Council Home Help supervisor, Mrs. L. Carruthers, can give valuable advice in this direction, much more could be done.

Some method of communication is desirable for ordinary householders whose routine is generally confined to the home or shopping.

The ideal would be information bureaux in or near the main shopping areas. Failing this, notice boards giving an address or phone numbers for enquiries would serve a good purpose.

The Rotary information stand in Civic Parade already gives much help. It could give more. Details showing all aspects of social services could be shown.

It is most likely that those in some need become aware of social services available from advice from friends and neighbours. Many, because of diffidence or seclusion, remain unaware.

This is a social problem that cannot be fully solved. It will be helped by making the necessary information most easily and plainly available.

## AWMC NEWS

## Altona Boxer's Success In Hobart

Angelo Vassiliadis, of the Altona Youth Club boxing team, had an outstanding win on Sunday at the contests in Tasmania.

Angelo, trained by Bill Hodgson, was a member of the Victorian Boxing team.

In his first fight away from home, he defeated Ron Davies, of Tasmania, with a second round knock-out.

Too strong for his much taller opponent, Angelo chased him from the first bell, and with sheer courage and determination, out punched Davies with left and right hooks to the head and body. Half way through the second round a left hook and a right cross put his opponent down for the full count.

Angelo is now waiting to hear if he has been selected to travel to Brisbane or Adelaide.

## PAPER DRIVE

A paper drive will be conducted by the Altona Presbyterian Church on Saturday, January 31.

All unwanted newspapers, telephone books and magazines would be welcomed.

Anyone with papers for disposal are asked to ring Mrs. Marks, 398-1747, or Mrs. George, 398-1140.

# Val's Column

Hello Girls,

How do you keep cool when the temperature rises?

Suffer the discomfort of excess perspiration? The mask of discoloration underarm. Sweaty hands and feet.

Not to mention fear of embarrassing odour. Your bathroom cupboard surely has one of the deodorants — roll on, stick, spray or powder.

To check the perspiration choose an anti-perspirant/deodorant.

Better still, use Revlon odourless anti perspirant. This is effective on palms of hands, foreheads, feet or where ever the moist troubles.

It is a fact that perspiration is actually good for you.

The skin is cleansed of eliminating waste, also cooling and helps protect against drying by distributing natural oil balance.

Perspiration is essentially without odour! Why then is it considered a problem?

This is only when excessive excretion occurs, or allowed to linger on the body. It is then attacked by bacteria — they thrive on it. There is bacteria on every skin, especially in warm conditions.

Hence cleanliness by washing, drying, powdering to absorb — or recognised lotions to hinder — the sweat, controls or person.

Girls, there are so many faces out in the sun. Please do a personal favour and protect that skin. Under makeup lotions at all times protect. A cream massaged in at night replaces lost moisture. The face is the one part of us we must keep "plump". Let the moisture go and the skin deflates — and, girls, that means lines.

BYE.

### AUSTRALIA DAY HONOR FOR CENTENARIANS

Relatives and friends of any Australian citizen who attained the age of 100 within the 12 months period between Australia Day 1969 and Australia Day 1970, are requested by the Australia Day Council to acquaint it with the names and addresses of such centenarians.

The Chairman of the Council, Sir Norman Martin, in making this request said that in accordance with the practice of recent years the Council would present prizes to Australia's youngest and oldest citizens or the coming Australia Day January 26, 1970, in commemoration of Australia's 182nd birthday.

Each male centenarian notified to the Council will be presented with a valuable gunmetal drinking mug and a leather wallet containing an address of honour, and each lady centenarian will receive a cup, saucer and plate in Royal Albert China with her own address of honour.

Of course, applicants in the 100 year class could make application on their own behalf, but it was believed that some of the old people are too modest to apply, or for various reasons are unaware of the gifts being available to them in commemoration of Australia Day and their own 100th birthdays.

Hence the request to their relatives and friends to notify the Council of their names, 100th birthdays and addresses.

The information should be sent to the Secretary Australia Day Council, Mr A. J. Gairns, 343 Little Collins Street, Melbourne.

# Blood Alcohol Count of .255

A fine of \$100 was imposed on George Smith, of Brunel Street, South Kingsville, at Williamstown Court last Friday. He was also disqualified from obtaining a driving licence for 12 months.

He admitted driving carelessly, driving while under the influence of alcohol and driving with a blood count of more than .05.

Const. Jenkins said he went to the scene of a collision in Hamner St., Williamstown, and found a car, with recent crash damage, parked at the roadside. The car had no engine.

Smith was seated behind the wheel of another car nearby. His breath smelt strongly of alcohol and his speech was slurred.

He told the police that he had been drinking that night in a couple of hotels but did not know how much he had had.

He said the accident happened when the other car moved in front of him. He swerved but could not avoid it. When the officer told him that the car could not be

driven he said he still thought it had moved out into the road.

A breath test showed Smith had a blood alcohol count of .255, the equivalent of 16 to 17 7oz glasses of beer.

## T.P.I. Social Club

Seventy eight members of the Footscray, Williamstown and Western Suburbs Totally and Permanently Incapacitated Soldiers Social Club had an enjoyable afternoon at cards last Thursday.

The ladies winner at cards was Mrs. Ginter and the gents was Mr. G Dawkins. A new member Mr. M. Thomas, was welcomed to the club.

All members who are ill in hospital or at home were wished a speedy recovery.

The next card afternoon will be at 1.30 p.m. on January 29 at the Manchester Unity Hall, Footscray.

## A.L.P. Candidate for Melbourne West

The A.L.P. candidate for the Melbourne West Legislative Council Province, Mr. R. W. "Bunna" Walsh (36) intends to commence an intensive campaign for the seat this month.

He told this newspaper that he would campaign in conjunction with Mr. Larry Floyd, M.L.A. for Williamstown.

The Williamstown Assembly seat and the Melbourne West Legislative Council Province covers the Altona and Williamstown district.

Mr. Walsh is an executive member of the Melbourne branch of the Waterside Workers Federation.

It is a two member seat, and the other member, who is not due for re-election at the coming State elections, is the Hon. Alex Knight, M.L.C.

## LITTLE THEATRE AWARDS

Some excellent performances were seen at Williamstown Little Theatre during 1969.

The "tour de force" roles in "Gas Light" and "Rattle of a Simple Man" and the cameo roles of "The Recruiting Officer" and "Anr Frank" were all exciting and different, and so the adjudicators of the Cordell and Craven Awards had many things to consider before making their announcements

in December. June Lownds, Lorraine West, Bernadette Twomey, Mary Little, Lois Connor and Ella Bambery all gave notable performances.

Male performances were many and varied, with Gary Metcalf, Doug Lindsay, Vin Foster, Grahame Murphy, David Connor, Ellis Ebell, Les Terrill and George Pratt helping to maintain the high standards of the theatre.

The Cordell Award is given for the best individual performance by an actor or actress and was won by Les Terrill for the role of Percy in "Rattle of a Simple Man".

The Craven Award was presented to Glynis Clodd as the most improved performer during the year.

Mrs. Fredrick Bolza (nee Kofed), the 1968 Cordell Award winner, presented the award to Les Terrill and received a wrought iron candleabra as a memento of her previous success.

The 1969 Award Night on December 20 began with a smorgasbord dinner. The menu consisted of poultry and cold meats, exotic rice dishes and salads of every variety. Desserts varied from glazed fruit tarts to cheese cake.

If you would like to share some of the Little Theatre social life, why not become a member. A note to the secretary, Box 35, P.O. Williamstown, will give you all necessary information.

## A MERRY CHRISTMAS

Christmas celebrations led to 27 years old William Wilkie, of Nelson Place Williamstown, appearing before Williamstown Court last Friday.

He admitted driving while under the influence of drink, driving in a manner dangerous to the public and driving with a blood alcohol count of more than .05. He was fined \$100 and was disqualified from obtaining a licence for 12 months.

Const. Hornby told the court that he went to an accident in Victoria Street, Williamstown, in which two cars had been damaged. He was talking to a witness when Wilkie walked past. He did not look in the direction of the accident and carried on walking.

He stopped when told to do so and as he walked back Const. Hornby noticed his breath smelt strongly of alcohol, his clothing was disarranged and he was staggering.

Wilkie admitted being the driver of the car involved in the accident.

He told the police that

## Combined Pensioners' Association

Members of the Williamstown-Newport branch of the Combined Pensioners Association held a very successful Christmas Dinner on December 18.

Three hundred people sat down to the meal, and this was made possible through the generosity of individual donors, the social clubs of the district, and the shops committee of the Newport Freezing Works.

The Mayor of Williamstown, Cr. R. Dawes, and Mrs. Dawes were welcomed, as were the trustees of the Christmas party fund, Mr. A. Knight, MLC, Mr. K. Rosser and Cr. M. Robertson.

Mr. Alex Edward organised the function and compered the programme, which was thoroughly enjoyed.

The artists included Mr. & Mrs. Ian McNeill and the CPA choir under the leadership of Mr. S. Gathercole.

Before leaving the party the pensioners were all given a Christmas pudding by the branch, and Mr. Artie Adams provided everyone with a bag of candy.

Those members who have booked for King Lake on

from 4.30 p.m. until 7.30 p.m. he had been drinking at a Christmas break-up at work, and from 8 p.m. until 10.45 p.m. had been drinking in an hotel.

He could not remember what happened after leaving the hotel until the accident occurred at 1 a.m. He said he must have fallen asleep in the car.

A breath test was taken and this showed a blood alcohol count of .200.

## LETTERS TO THE EDITOR

### "ALTONA OSTRICH"

Dear Sir,

To whoever it is who writes a column for you under the non-de-plume of "Altona Observer," I suggest that he or she changes to a non-de-plume of "Altona Ostrich."

I do not say a word against Altona, I have known her too long and love her and indeed, even now, in what I'm about to write I do not say a word against Altona

But I do against the people who are turning the once healthy Altona into a place where a person has to breathe filthy fumes which upset the breathing passages.

You say the factories would not agree with V. Shields, "A.O." Well, I do not ask them to agree with V. Shields, but I do ask them to deny that they are polluting the air.

One factory I am able to observe from my own back door does not only rely on stacks to do its polluting but has a pretty blue tank-like affair that does a far better job.

I hope that in spending millions of dollars on a new complex they are building they will also spend a little on the matter of air pollution.

Your writer, Mr. Editor, does not only have to use his eyes, but his nose could inform him of the colorless fumes that are air.

When the freeway is completed and the open spaces are filled we shall have big pollution problems unless something is done about it and soon.

Also, it is time that the Commonwealth Government started to take interest if this is an example of what can happen if the power is left to the states.

Sneering at another person's opinion cannot hide what is a fact, "A.O." We do have air pollution.

Yours sincerely,  
VERA V. WELLS.

### THANK YOU

Dear Sir,

I would like to thank everyone who so generously brought flowers to the Williamstown Hospital over the festive season.

The Hospital looked very fresh and bright with so many beautiful flowers.

The weather being cool, they lasted for many days. Wishing all a very Happy and Prosperous 1970.

Yours faithfully,

JEAN B. HARDHAM,  
Matron.

### ALTONA BEACH

Dear Sir,

I feel I must bring to the Council's notice the state of Altona beach.

The area either side of the Mulga Street drain is unbelievably filthy.

Rats are seen running around even in the daytime.

To go into the water you must first get through a barrier of evil-smelling, rotting seaweed which has all sorts of horrible things in it. Then, if you're lucky, you may find a spot that has not too much slime in it.

When I came to Altona 12 years ago this was a lovely stretch of beach, now it is unfit to swim in.

I agree with Dr. Leyden's statement (and I quote) "This area should be fenced off."

Residents of this area are asking why no effort is being made to keep this large stretch of beach clean.

Mrs. M. ROBINSON.

### Altona Historical Society

The Altona Historical Society will meet tonight (Wednesday) at 8 p.m. in their room at the back of the Homestead to discuss the "Short History of Altona" which has been revised.

If any resident of Altona feels that he or she would like to read through the new history and make corrective comments before it is duplicated, that resident is welcome to come to the meeting and study the history with the members.

The forerunner of this history is one which the late Mr. V. L. Hearn compiled before his death. Mr. Hearn's history has been added to and slight alterations have been made. He began a great work which should be carried on because Altona has a great and unique history.

Last Sunday, members opened the Museum and reported that although there were hundreds of people in Logan Reserve, attracted by the near-perfect weather and the Carnival, only about 18 people visited the Museum.

Apparently one little notice on the door and another on a window do not do enough to attract attention. It is felt that perhaps a portable all-weather notice could be set up outside the door on the days the Museum is open. This matter could also be discussed at tonight's meeting.

### Pipeline Across The Bay

No special legislation is required to permit of a proposed pipeline being installed under the bay from Brighton to Williamstown.

Local member Mr. W. L. Floyd ascertained this from the Minister for Fuel and Power and informed Williamstown Council.

However, the minister stated that sufficient safeguards existed under the Pipelines Act to prevent any action being taken with regard to objections made in accordance with the Act.

Complete liaison will also be maintained with the municipalities concerned.

In the circumstances, it appears that Councils will be in the position to make the objections independent of Mr. Floyd, who will be glad to assist at any time if a Council needs support.

### ALTONA CAMERA CLUB

Thirty members of the club attended last Friday's meeting for a program covering the camera and its applications. The majority had their cameras with them so that a comprehensive display of equipment could be seen and compared.

Jim Merrills opened the evening with a talk on the modern camera, illustrating his talk with some of the different types available today.

This was followed by Jack Simpson showing camera development with the aid of a very old wooden half plate camera. This old camera had been brought to working order, and with the assistance of a number of ingeniously home-made parts, Jack Simpson showed that it could compare favorably with the modern camera.

Highlight of the evening came when, with the setting up of club floodlamps, members were invited to participate in practical work. Three models were available as subjects all of them accomplished in acting, which helped considerably in setting up. Sid and Joyce Thornton, together with Jack Simpson using the minimum of props, gave members plenty of opportunity to capture scenes on film.

Entries for this month's competition of landscape should be handed in this Friday, results being given the following week.

Anyone interested in joining should go along to the "Homestead" in Queen Street on a Friday evening or phone 398-1937 for information.

Of the 138 metropolitan electric trains in service during the heaviest traffic hours, about 43 per cent. are the "Harris" (blue) type.

The Victorian Railways metropolitan electric train fleet comprises 1,110 carriages.

### Rubbish

The illegal dumping of rubbish is a costly problem for the Victorian Railways. Every year, half the vehicles of 22 special maintenance trains and 100 motor vehicles are needed to carry away rubbish dumped on railway property.

# 3 shocks about Woodville Park, Werribee

1. Only 11 minutes from the best bream fishing in the State.

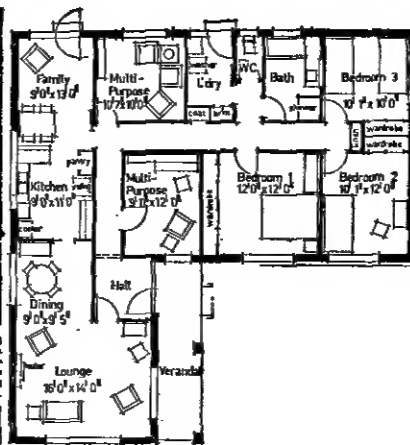

2. Only 15 minutes from the city when the Lower Yarra Crossing is finished.

**How to get to The Village:**  
Drive down Geelong Road to the Werribee turn-off and follow this map.

3. You can own house and land for only \$2,330 deposit.

## Picture book section of Werribee.

The Village is the fresh new development here at Woodville Park, Werribee. It's set on a lush, green grassed plain that rolls on to the You-Yangs in the distance. Eight short miles away from it, the boys pull in bream "that big".

Yet that's only a small part of it.

For instance there's

## The Werribee Country Bakery.

Instead of eating mass produced bread you can buy a warm loaf of bread baked by the Werribee Bakery. 25c a loaf unsliced and it melts in your mouth. Then there are

Every shop imaginable is here. A big new supermarket. An old fashioned bootmaker, dress shops, banks, newsagents, fruit shops and 4 hotels. 2 Primary Schools and a High School, too. And from Werribee it's just 35 minutes to the city.

Driving within the speed limit it takes just 35 minutes to get to town down Geelong Road. With the Lower Yarra Crossing nearly finished it'll only take 15 minutes, so you're not living in isolation at The Village.

## Sport in the Aussie tradition.

You can become as one-eyed as the rest of the place over the home football team and there's always good cricket during the cricket season. 2 Olympic pools are right next to the Werribee football ground, and it's just minutes instead of hours, to the golden Torquay and Geelong beaches. By this time you'll probably think it costs a fortune to live here. Actually it's

## Just \$2,330 deposit house & land.

Prices range from \$11,650-\$17,076 full price, house and land. And that includes everything. Fully made roads, footpaths, underground drainage, gas, electricity and fences.

# Holiday Cyclists in Top Form

An enjoyable and successful day was had by the Williamstown Cycling Club's contingent at the Echuca Athletic Carnival on Saturday, December 27.

Robert Wouda and Geoff Salter both qualified for the final of the feature event — the one mile Echuca Wheel race.

After suffering interference during the final lap Geoff made a late run to snatch third placing, while Robert profited by giving valuable assistance to the winner.

Ian Salter qualified for the final of the half-mile handicap and rode exceptionally well to finish second in the final.

Tom Reynolds fought off several challenges over the last lap of a three mile scratch race to register an impressive victory.

A number of the boys journeyed to Mount Gambier for the New Year's Day meeting. Robert Wouda qualified for the final of the Mount Gambier Wheelrace.

In the final Robert and his fellow backmarker, Bendigo star Bill Stevens, gave all they had in an endeavour to bridge the gap to the riders in front but the task proved too great.

Club racing at the Loft Reserve track on Saturday, December 20, consisted of quarter and one mile handicaps and a one hour teams race.

Bill Groome, Jr., won the first heat of the quarter mile with Robert Wouda second and Ian Salter third.

Colin Robson won heat two of the quarter with John Pryor and Leon Constaninou filling the placings.

Colin hit the front at the furlong mark in the final and as in the heat he held off John to score a convincing win.

Bill Groome, Jr., finished third.

Ian Salter showed his liking for a little more distance by taking out the first heat of the one mile handicap with Bill Groome, Jr., second and Colin Robson third.

The second heat went to

Geoff Salter followed in second place by Martin Reynolds with Leon Constaninou third placegetter.

After doing more than his share of pacing in the final Ian Salter proved too strong for the opposition to score by one length from his brother Geoff with Bill Groome, Jr., in third place.

The one hour teams race became a battle between two teams.

After quite an interesting battle Leon Constaninou and Ian Salter were victorious, having an eight sprint point margin over Tom Reynolds and Colin Robson. Third, on two laps down, were Geoff Salter and Bill Groome, Jr.

# WILLIAMSTOWN FIRST XI MISS AN OUTRIGHT BY TWO WICKETS

Following its exciting outright win over Dandenong prior to the Christmas break Town went within two wickets of repeating the feat in completely overwhelming Waverley.

On January 10 Bruce Murray, captain of the opposition, won the toss and sent Town in. Although the Seagulls had to exercise caution the soft pitch proved slow and easy-paced and by stumps Town had the satisfaction of reaching its season's highest score in compiling 9 for 229 (compulsory closed).

Town's sound score was built around left-hander Barry McConnell's season's top score of 74. Barry batted for 246 minutes and he received splendid support from Robin Dyson, 51, and Fergus Stewart, 49.

Noel Macleod with a brisk 16 not out in the final half hour of play helped to increase the pressure on the opposition.

An almost similar type wicket as the first day was to prove no barrier to Town's attack and with excellent support in the field fast bowlers Peter Bowyer and Ray Salter proved too much for the Waverley batsmen.

Waverley were convincingly routed by this pair with the final wicket falling in the last over before tea.

## 20 yds.

One mile handicap. — 1, C. Robson, 180 yds.; 2, G. Salter, scr.; 3, T. Reynolds, 35 yds.

Five mile points score scratch. — 1, G. Salter; 2, I. Salter; 3, T. Reynolds.

## AGGREGATE PROGRESS

G. Salter 90, T. Reynolds 74, C. Robson 66, W. Groome, Jr., 59, R. Wouda 54, I. Salter 47, M. Reynolds 46, L. Constaninou 42, W. Groome 32, J. Pryor 28, T. Robson 19, M. Pryor 1.

Peter Bowyer, playing in only his second game, gained the staggering figures of 6 for 19 off 14 overs and Ray Salter finished with 3 for 27 also off 14 overs.

Waverley, showing no improvement on its first innings were in all sorts of bother as spinners Tom Seal and Barry McConnell took control.

At stumps Waverley had lost 8 for 52 and was probably saved from outright defeat due to a ten minute break for a light appeal immediately after the fall of the seventh wicket.

Tommy Seal with 3 for 14 off 12 overs and Barry McConnell 3 for 31 off 10 overs were splendid in Town's near outright success.

Town's next two matches will be against Kew and Brunswick, the latter on ANA Day. Both games are at home.

## Town Thirds Keep Final Four Hopes Alive

Williamstown kept their final four hopes alive when they gained outright points against Brunswick.

Resuming at 6-119, Williamstown took a narrow lead on the first innings due to some whirlwind hitting from Norm Snow, 23. He was well supported by Graham Tweedley who defied the bowling with solid batting.

In the second innings Brunswick were all at sea against the accurate bowling of Peter McGregor, 5-18, and Norm Snow, 3-25, and were finally dismissed for 74 leaving Williamstown 73 runs to win outright. These runs were made in 65 minutes due to good batting from John Condon, 45.

The fielding for the match was only fair although Frank Bowyer took four well-judged catches.

## A Grade Cricket THE ONE THAT GOT AWAY

### ALTONA "A" v. MIDDLE PARK

Middle Park resumed batting on a good wicket this week with umpires in attendance for the first time in the match.

Middle Park's batting had collapsed late last week to be five wickets down for 34. With the third ball of Dare's first over shattering the stumps, Middle Park had lost their sixth wicket for 40. However, when the next wicket fell to Dave "Angelic" Naughton, the score was 115.

Unfortunately for Altona the batsman who had done the damage (De Marche) continued on his merry way, slashing his way to 61 valuable runs. De Marche's innings certainly upset the Altona players as catches sailed almost monotonously just out of reach of straining fieldsmen's fingers.

He was finally out, well stumped by John Cooney off Jim Page's bowling.

Runs mounted and wickets fell till Middle Park was all out for an astounding score of 135, considering their earlier position of 6/40.

Altona now had 135 runs to achieve outright points in 120 minutes.

Openers Ray Duckett and Brian Garde did their jobs well as runs flowed freely till 26 when Duckett was clean bowled for 12.

Things looked rosy for Altona as John Cooney strode purposefully to the wicket. But, alas! Cooney was bowled first ball. Altona 2/26! In reality, due to Ken Duff's absence, Altona was 3/26.

Garde was bowled 18 runs later. Dellar and Page batted fairly well until they were dismissed.

Altona had struggled to six for 80 and now with only 45 minutes to go, Middle Park's fielding was outstanding — runs were hard to get, due to good field placement and their players were putting their hands, legs, chest or anything behind the ball — all to save runs.

Dare, attempting a rather hasty shot, fell to a glorious tumbling catch at deep square leg.

Alec Merrill, at last showing good batting form, demonstrated that there was no need for hasty shots by producing delicate cuts and driving to the very few gaps in the extremely enthusiastic Middle Park field.

Unfortunately Merrill, who was batting with a brace on his back, was out, caught at 33 and Altona's innings soon petered out for a total score of 111. Altona had lost outright by 24 runs.

This game was swung in Middle Park's favour by De Marche's "entertaining 61".

The big questions are:—  
1. Will Altona make the four?  
2. Will the same side be retained next match?  
3. How long will the selectors take this Thursday night?

## C GRADE

### EXCITING OUTRIGHT TO ALTONA

Resuming at 3 for 79 in reply to Seddon's 8-72 dec., Altona, through the fine batting of Noel Michael who compiled a well made 76 not out, were able to declare at 6-146 in an attempt to gain outright points and thus place the team within striking distance of the four.

Seddon began their second innings with a deficit of 74 runs and appeared to be content to play out time. However, good bowling early, backed up by some excellent fielding (one catch by Barry Critchley) saw Seddon struggle to 5 for 55 with an hour and a half to play.

From this point on the batsmen really dug in with Seddon's captain, Mortimer, batting for 72 minutes for 6 runs.

Noel Michael who had bowled well was unfortunate in having three catches dropped from his bowling took the last Seddon wicket with the score at 82 and with 7 minutes batting time left to Altona to obtain the nine runs required for victory.

David Murphy and Graeme Hosken were entrusted with the task of obtaining the runs which they were able to do in the space of five balls.

Clubs are reminded to pick up their copies of "The Pitch" at the usual points next Friday for distribution to players next Saturday.

St. Andrew's, Footscray, 203, defeated Kingsville Baptist, 86 (Bunce 7-27, Beard 28, Amiguet 16) and 84 (Parke 28, Whitty 3-17) outright.

Yarraville Baptist, 65 and 107 (N. Morris 49, A. Whittle 3-14) lost on the first innings to Yarraville Presbyterians, 99 and 7-63 (J. Askew 21, Kite 4-21).

Williamstown Methodist, 107 and 2-25 lost on the first innings to Tottenham Baptist, 135 (Williams 4-31, G. Just 30, T. Graessham 22, Bowie 20 n.o.).

St. Andrew's, Williamstown, 106 and 55 (Tyrell 26) lost outright to Barkly St. Methodist, 120 (D. Austin 16, Homewood 6-24) and 6-45.

## CHURCH CRICKET

The highlights of the first day of Round 7 in Western Suburbs Protestant Churches Cricket Association were continued into the second day, last Saturday.

In B Grade lowest side Christ Church downed finals contender Newport Baptist outright to toss the Baptists right out of the Four.

St. Eanswythe's sneaked into the Four by downing the strong Williamstown Methodists on the first innings.

Joint A Grade leaders Newport Methodist also went down to lowly Yarraville Baptist in a surprise result, and only just avoided the outright by one over.

Paisley St. Baptist jumped from fifth to second place with an outright over last season's premier side Seddon-Yarraville Congs.

Kingsville Baptist and Barkly St. Methodist could not get a decision and played out a draw.

Two outright decisions in C Grade to St. Andrew's, Footscray, and Barkly St. Methodist have made this grade most interesting with no fewer than six of the teams still well in the running for finals honors.

In a day lacking in big scores the stars included: In A Grade Alan Cocks 50, for Newport Methodist, John Anderson 67 and Colin Jackson 50 for Kingsville Baptist and bowlers Brian Hayes 7-16 for Yarraville Baptist, Neil Austin with 5-42 for Paisley St. Baptist and the star of the day Ian Weymouth with 7-9 for Tottenham Baptist.

Best players in B Grade included Garde, 63 for St. Eanswythe's, Squire 63 for Seddon-Yarraville Congs. and John Funston with 50 n.o. for St. Stephen's, Robert Jones with 6-50 for Christ Church and Malcolm Berryman 6-26 for Ballarat Rd. Methodist.

Whilst C Grade had two excellent bowlers in Noel Bunce for St. Andrew's, Footscray, with 7-27 and Russell Homewood for St. Andrew's, Williamstown, with 6-24.

Results of the round are as follows:

## A GRADE

Newport Methodist, 42 (I. Cocks 24, B. Hayes 7-16, N. Hayes 3-20) and 131 (A. Cocks 50, Webb 36, Allen 20, R. Hayes 5-51, B. Hayes 3-34) lost on the first innings to Yarraville Baptists, 146 and 1-23, the Baptist just missing the outright by 4 runs and 1 over.

Second prize, drawn by Lorna Walsh (from the bottom of the bin), was won by Harry Watts, Glenroy Bowling Club. Third prize went to Gregory Douglas, 36 Davies Street, Altona.

### ALTONA CLUB XI

The second innings of the team was more spirited and determined than their first.

They increased last week's score of 5 for 45 to all out for 74.

A. Bailey was caught in the second over without adding to his score and B. Douglas, adding only two to his score, followed Bailey in the next over.

J. Mildenhall and J. Blockerus put on a spirited 19 in some excellent leg shots, but the opposing spin bowlers took their toll and the innings closed very abruptly.

Altona took the field and with good bowling by J. Blockerus they took a wicket off the fourth ball of the first over.

J. Mildenhall took an excellent single-handed catch on the run, but with only 36 runs to score I.O.R. gradually overhauled Altona to win outright.

### SMALL FIELD IN YACHT RACES

Holidays and bad weather cut the number of entries in last Saturday's races at Altona Yacht Club.

Results were — HORNETS. — 1, "Laphil," E. Philipps and L. Laker; 2, "Triad," T. Jones and W. Jankewitz; 3, "Woomera," J. Grieve and D. Philp.

HERONS. — 1, "Stelynka," S. Bulmer and J. Horn; 2, "Banshee," P. Harvey and L. Bulmer.

G.P. 14's. — 1, "Happy-1," B. Purdy and M. Purdy; 2, "Myra," J. Ham and T. Horn.

Special thanks on behalf of those who sailed to go to Mr. Charles Sleeman & Company who acted as crash-boat crew for this race. The club-owned crash boat was severely damaged in a storm during the opening days of the new year.

The insurance company wrote it off as a total loss and the boat became the property of this company. Later it was bought by local fisherman, Mr. Geoff Pearl, who plans to repair it for fishing use.

The Altona Yacht Club is now on the lookout for a new crash boat.

Thanks also go to another local and new members, Mr. Upsdale, who has in the past used his own boat in this capacity.

On the first Sunday in February a picnic race and barbecue will be held at Point Cook. Non-sailors may travel by car. Those who suffer from car sickness as well as sea sickness may swim.

### Australia Day

Australia Day, now celebrated on January 26 has not always been a holiday and the name itself is comparatively recent.

According to World Book Encyclopedia, the anniversary of Arthur Phillip's landing at Sydney Cove on January 26, 1788, was first celebrated as a public holiday in 1833.

In some states it was called Anniversary Day. In others it was called Foundation Day. Victoria introduced the term Australia Day in 1931.
